

THE
LONDONER
PUB - BISTRO - ROOFTOP
EST 1997

Established in 1997, The Londoner Brew Pub is now Bangkok's oldest micro-brewery & gastropub. We pride ourselves in offering an informal dining experience with high-quality gourmet food & superb house-brewed beers served by welcoming, friendly staff.

Our exceptional kitchen team, led by chef Yao (Captain of the 'Thai National Cooking Association') prepares the finest fare, including British classics like our Fish N' Chips, with succulent, flaky, haddock deep fried in batter, made with our own house pilsner. Another of our signature dishes is our tender Lamb Shank, which takes six hours of loving preparation.

The same diligence goes into our other international & Thai dishes, so we can safely say that the quality and range of The Londoner Brew Pub menu is unparalleled.
